

PRODUCT CHANGE NOTICE

Notification Date: 12th November 2012

PCN # SIM2070-001

Drawing Revision Letter: B

**Product Identification:**

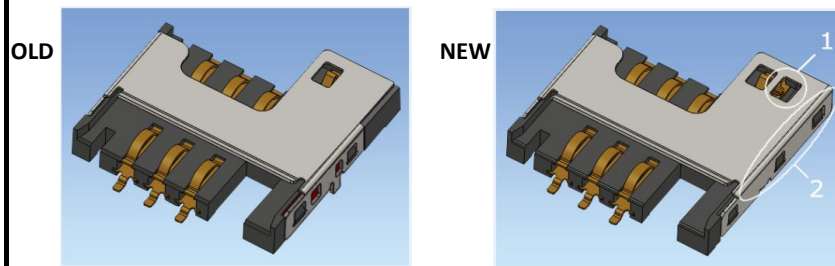

SIM2070-6-x-30-00-A

**Effective from date code/batch code:**

ASAP, once existing stocks are depleted.

**Description of Changes**

1. Changes to metal shell to accomdate amended card detection switch design.
2. Design change on card detection contacts, now with rounded contact area.
3. Metal shell extension to provide a higher strength link between the plastic insulator and metal shell.
4. SMT lead Dimension (section A-A) corrected from 14.25mm to 14.20mm, incorrect measurement on rev A drawing.

**Reason for Change**

Design improvement to allow a normally closed switch option, improve performance of card detection switch pins and provide better strength between metal shell and plastic insulator. Correct SMT lead measurement.

**Anticipated impact on form, fit, function, or reliability**

None.

**Required Inventory Action**

None. Running change.

**Contact Information**
