

## Quality Policy 2022-23

GCT Ltd is committed to achieving the highest achievable standards of quality in the provision of products and services to our customers.

GCT Ltd is committed to complying with all standards and statutory, regulatory and legal requirements applicable to our products and services.

GCT Ltd is committed to ensuring that our products meet our customers' requirements and that our service maximizes our customers' satisfaction.

GCT Ltd is committed to the establishment, implementation, operation and maintenance of a properly documented quality management system, appropriately designed for GCT's business activities, in compliance with ISO 9001:2015.

GCT Ltd is committed to the definition, measurement and review of objectives at all levels of the business and for all critical activities, and for the outputs of these reviews to act as a driver for the continual improvement of both GCT's business and for the quality management system.

GCT Ltd is committed to ensuring that the quality management system and the methods, processes and objectives which it contains are communicated and understood throughout the business.

GCT Ltd is committed to ensuring that all our personnel are provided with the proper tools & equipment for their activity, including appropriate training and career development.

GCT Ltd supports the RBA Code of Conduct which is incorporated within our quality management system. GCT regards the Code as a total supply chain initiative, and promotes the implementation of the Code at our next tier suppliers.
